

ASSEMBLY BILL

No. 2122

Introduced by Assembly Member Mendoza

February 18, 2010

An act relating to pesticides.

LEGISLATIVE COUNSEL'S DIGEST

AB 2122, as introduced, Mendoza. Pesticides: agricultural pest control advisers: qualified applicators: continuing education.

Existing law requires agricultural pest control advisers and qualified applicators to be licensed by the Department of Pesticide Regulation.

This bill would declare the Legislature's intent to later amend the bill to establish clear requirements that properly guide the Department of Pesticide Regulation in providing timely, fair, and consistent certification of continuing education courses required of agricultural pest control adviser licensees and qualified applicator licensees.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to later amend
- 2 this bill to establish clear requirements that properly guide the
- 3 Department of Pesticide Regulation in providing timely, fair, and
- 4 consistent certification of continuing education courses required
- 5 of agricultural pest control adviser licensees and qualified
- 6 applicator licensees.
